Just in case you need help, here are the telephone numbers:

Anne-Marie: 79410635, Ruud: 79410636, Alex: ~~79947808~~

The NIM route you can also open digitally on https://maltaguide.pro/nim.html

The advantage of this is that the photos are easier to see on the digital PDF version than on paper.

On the route are described ++ this is a marker:

Are you lost? On the digital version you can click on this link/ marker, you will then automatically go to Google maps, click on route and follow Google's instructions. Then continue with this NIM route (so only use it if you get lost for a moment).

Are you unable to install the digital version on your device? Then go to the website https://maltaguide.pro/nim.html Here are also the links and markers, without PDF, just click on it and it works exactly the same as above.

++ This is a location of a public toilet.

Given distances are measured visually.

Car rally 2024, 1st part. Name of the driver and the co-driver:

_____

_____

Km or miles reading at departure 1st part _____

The length of some roads are indicated in miles and sometimes in km, that is approximately, 1 mile is about 1600 meters.

Much attention has been paid to the route, unfortunately it can happen that a street has been closed, an accident has happened, or at the last moment a sign has been taken away or placed. Pass the blockage. Continue reading the text till you find instructions or click on   ++.

The subject chosen is the defense of the country and the basic need of live.

Turn left at the entrance and exit of the parking , you are now driving along boulevard Dawret ix-Xatt.

On the left side you see a bunker from the Second World War. Take after the next bunker the second road on the right. (The first one right is a dead end road). You are in Triq iċ-Ċem (0,06 miles – 100 m).

Turn right at the end of this road , you are now in Triq Karmelo Ritchie (0,1 mile - 160m).

Turn left at the end of this road, you are in Triq Il-Fortizza Tal-Grazzje (0,1 mile -160m). At the roundabout turn left (first turn), you are in Triq I-Iskola (0,2 miles- 300 m).

Keep to the right at the Y junction (continue the road). You are now in Triq Dwardu Ellul (0,4 miles – 600 m).

You arrive at a crossroad (road from left), continue your way, you are still in Triq Dwardu Ellul (0,15 miles – 250 m).

At the next Y junction you turn left, (there is a bunker at the corner). You are now in Triq San Leonardu (0,1 mile – 160 m).

++ Bunker https://maps.app.goo.gl/wr4JS5p7LZmCSotA8 35.87789, 14.55348

At the red storage door (see picture below) turn left. Enter this drive (dead end). You arrive at a gate, to stop is sensible, (letters are not on the road) (0,4 miles- 600 m).
