

The NIM route you can also open digitally on <https://maltaguide.pro/nim1.html>. The advantage of this is that photos are clearer to see on the digital PDF version than on paper.

On the route are described ++ this is a marker:

Are you lost? On the digital version you can click on this link/ marker, you will then automatically go to Google maps, click on route and follow Google's instructions. Then continue with this NIM route ( so only use it if you get lost for a moment ).

Are you unable to install the digital version on your device? Then go to the website <https://maltaguide.pro/NIM1.html>, this also contains the links and markers, without PDF, just click on it and it works exactly the same as above.
